## EXHIBITORS SERVICE MANUAL

**Forms to be filled and returned to the ORGANISERS  
This copy is to be retained by the EXHIBITOR**

To

*[Here fill in the name of participant]*

Dear Participant,

Seasons Choicest greetings from Hi-Tech International Trade Fair India P.Ltd.,

We are delighted to welcome you to **Asia's Largest Knitting Technology Trade Fair - KNIT-TECH 2026**

This comprehensive '**EXHIBITORS SERVICE MANUAL**' will provide you

All the informations to make your participation a fruitful affair to remember and cherish. Please read this manual carefully : it provides you with the information regarding:

- i) Details for operations at the show and your Travel plans.
- ii) Time table of in-hall operations at the show.
- iii) Informations regarding various services which are available to the exhibitors.
- iv) Rules and regulations associated with your participation at the event.
- v) Service to the exhibitors along with requisite order forms. The order forms must be filled in on or before the last date prescribed and returned to us to serve you better.

To avoid the inconvenience please read this manual carefully and if you have any doubt or clarifications, kindly revert back to us at Hi-Tech International Trade Fair India P.Ltd.

It is very important that you read this manual and revert to us at the earliest to avoid any inconvenience. We will very much appreciate your co-operation and support in this regard.

Thank You.

With Regards,

**M.A.Rayappan**  
Chairman

**Section I****EXHIBITOR'S FACT SHEET****1. Please read your Exhibitors Service Manual Carefully**

The information it contains will help you to save time, money and needless inconvenience.

**2. Help Reminder About Service Request**

- a. Be sure to order your services in advance, including:
  - \* Additional electrical & Air service
  - \* Furniture
  - \* Fair Directory Advertisement.
  - \* Manpower
  - \* Other special Requests.
- b. Place your order early with payment to ensure that your order will be fulfilled. **Please order before February 10th 2026**
- c. Bring copies of all your advance order forms and payment receipt to the show.

**3. Helpful Reminders on Shipping :**

- a. Ship your freight via recognized and reliable transport services only to ensure that they arrive at your target date.
- b. Be sure to remove all previous shipping labels before you send anything to the show, and attach clean labels, with your company name clearly marked, on each carton / case dispatched.
- c. While making your shipping plans to the show, also plan for shipping home after the show is over. Make sure that someone knowledgeable from your company will be on-site, to oversee the out bound shipment of your display and equipment.
- d. While transporting your exhibits to the site, Central Excise/Sales Tax documentation must accompany the consignment (e-way bill)
- e. Contact official service providers for assistance.

**Common shipping Mistakes**

- \* Selecting a carrier that does not service trade shows on a regular basis. Unlike other shipment exhibit material is time sensitive.
- \* Old labels on cartons cause confusion.
- \* Be clear and specify what type of air freight is desired eg. Over night a.m., p.m. second day or deferred service.
- \* Not giving clear instructions on how the freight is to be shipped.
  - Not advising your carrier about your target date.
  - Not including accurate description or piece count.
  - Not filling out the forms properly.
- \* Tips for shipping
 

Please ensure that proper documentation concerning excise/sales tax authorities are to be sent only with the exhibits (Transporter's Copy) please avoid these common shipping mistakes and save your time, money and needless aggravation.

**4. On - site:**

- a. Set up your Booth / Machinery / Installation on time.
- b. Try not to change or cancel orders on site.

**Section II****RULES AND REGULATIONS****1. Storage, removal of Waste and cleaning.****2. Liabilities & Insurance**

It would be advisable for the exhibitors to take insurance Policies covering the following:

- a) Machinery and Other Exhibits
- b) Transit Loading and Unloading of machines
- c) Exhibition Personnel
- d) Third parties (Visitors)

The show Organizers will not accept liability for loss of, damage to any exhibit, or for injury to Exhibitor personnel at any time. Exhibitors are strongly advised to insure their exhibits against theft, loss or damage, including the risk of fire and to cover themselves against third party liability for visitors to their stands.

**3. GATE PASS : The Exhibitor should present an in pass and outpass for bringing the materials in and out respectively from the exhibition hall.****4. Administration of Exhibition Hall**

The organizers **Hi- Tech International** will control and manage all matters connected with **KNIT-TECH 2026** from its Site Office.

**5. Possession of stalls**

Hall control managers stationed at **KNIT-TECH 2026** would issue the possession letter. Representatives of clearing and forwarding agency, shell contractors, travel agents and various other exhibition service providers can be contacted at **Hi- Tech International** site office for any help or assistance required by the exhibitors.

Show Managers will be stationed in the hall for supervision of various service and assistance to the participants.

**6. Schedule of arrival of Exhibits**

The Exhibitors who have booked Heavy Machinery can carry their exhibits inside the exhibition hall open from 10:00 hrs on 1.3.2026. The light exhibits can arrive from 10.00 hrs on 3.3.2026. In order to avoid last minute rush and strain on the material handling facility, exhibitors are requested to cooperate with the agencies for movement of exhibits inside the hall.

Exhibitors should depute their representatives to accept delivery of their exhibit cases at the Exhibition site from the transporters and make handling arrangement with the official contractors. It will not be possible for the Organizers to take delivery and make handling arrangement for the Exhibitors.

Organisers will allow exhibitors to install machineries from 9.00am to 7.00 pm only during the days allowed for installation i.e, 3.3.2026 to 4.3.2026

Any damage to floor or structure, fittings, etc, at the Exhibition Venue will have to be made good by participants and extra displays outside their stall, other passage area or anywhere else inside the expo compound or restaurant; such as Banners and Bunting are not allowed.

**7. General Fire and Safety Regulations**

- a) Exhibitors should ensure safety for all materials used in construction and decoration
- b) All exits, entry areas and exit aisles must be kept clear and unobstructed.
- c) Compressed gas cylinders, including LPG are prohibited in the exhibition area.
- d) All temporary wiring must be accessible and the aisle free from the debris and storage materials.
- e) No storage of any kind is allowed behind booths or near electrical services.
- f) All empty cartons and crates must be labeled and removed for storage.
- g) Flammable and combustible liquids are prohibited inside the building
- h) Helium balloons are not allowed inside the hall.

**Note: smoking is strictly prohibited inside the exhibition halls.**

**8. Care of Building and Equipment**

Exhibitors must not damage or deface the exhibition facility or other exhibits. When such damage occurs, the exhibitors is liable to the owner of the property so damaged.

**9. Interiors and Event Managers of Participants**

The job of interior companies must show the authorised letter from Participants, caution deposit of Rs.50,000 (refundable) must be paid to the organisers. If any damage is caused the deposit will be deducted accordingly. Interior companies must clean their stall area and outer area before leaving. Otherwise Rs. 10,000 is a penalty for non cooperation with the Organisers. Power charges of Rs. 5,000 per stall should be paid for interior fabrication. If any dispute raises, the organisers decision is final.

**10. Stall erection by Exhibitors**

Exhibitors are advised to follow guidelines specified by the Organizers in the Rules & Regulations of **KNIT-TECH 2026**. The Organizers would particularly like to emphasize on the following points.

- a) The exhibitors should leave minimum 30% of the stall area for free movement of visitors
- b) Stalls should be completed in every aspect by 8.00 pm of 4th March 2026.
- c) Exhibitors should advise their display & advertising agent about the rules and guidelines for stall decoration, permissible size of display material, panels, office cabinets, etc. **KNIT-TECH 2026**. would not correspond with the advertising agents. However, if any information or clarification is required by the exhibitors themselves, the same can be obtained from the organizing committee of **KNIT-TECH 2026**.

**11. Booth Display**

All demonstrations and promotional activities must take place within your exhibit space. There shall not be any distribution of pamphlets or brochures except inside their respective booth.

- a) Sound system / Presentations .

The organizers reserve the right to restrict exhibits. , which because of noise, method of operation or any other reason become objectionable. The sound level from an exhibitors booth shall not intrude into adjacent exhibit areas.

- b) Stall opening should be minimum 2.0 meters.

- c) No loft terraces or floors should be erected in stand areas (without prior permission).
- d) Exhibiting companies that share a common booth back wall boundary line must allow 9" of space from the common booth boundary line when setting up the construction of their exhibit back wall to allow a total of 18" for access to electrical and utility outlets.

## 12. Electrical supply and Installations

Hall Lighting will be provided by the Organizers in addition to normal stand lighting. The standard electrical voltage available for use on stands at the Exhibition is 230 volts single phase A. C. at 50 Hz and 415 volts 4-wire three-phase and neutral alternating at 50 Hz. A fluctuation of  $\pm 10\%$  can be expected. Exhibitors whose equipment is particularly sensitive should arrange for stabilizers. Supplies to stands will normally be switched off at source 30 minutes after the Exhibition closes each day (15 min on the final day)

Any exhibitor requiring electrical supply at times other than those stated should make application to **Hitech Gold Graphics** - official service provider on site at least 24 hours before hand. Supplies cannot be arranged at short notice. Cost of additional supply must be borne by the Exhibitor.

Exhibitors who have ordered additional electrical items in advance are requested to show the location of the extras on their booth design. All electrical installation on stands must be carried out by the official electrical contractor only.

**NB : Flashing lights and neon - signs are permitted only if they cause no inconvenience to other Exhibitors.**

## 13. Demonstrations and Working Exhibits

An exhibitor intending to demonstrate equipment on his stand must:

- a) Provide the Organizers with full details in writing of any working exhibits involving moving parts, lasers,...
- b) Give proper consideration to the safety conditions under which the exhibits will be demonstrated, including safety guards and screens to prevent accident or injury to both visitors and staff.
- c) Cause no annoyance to visitors or other Exhibitors. Where a high level of noise or other objectionable factors are involved, demonstrations may only take place at the times stipulated by the show Organizers, who reserve the right to terminate a demonstration at any time.
- d) Ensure that no naked flame is used in any demonstration in the exhibition premises.
- e) Isolate controls and switches so that machinery cannot be activated by accident or interference by visitors.
- f) In case of dispute, the Show Organizer's ruling will be the final.

## 14. Stand-fitting Regulations

- a) No additional stand fitting or display may be attached to the shell stand structure. No nailing or drilling will be allowed. If you require assistance in hanging or displaying your Exhibits, please consult the Official service provider.

- b) Please note that internal dimensions of shell scheme stands are Approximately 5 cm smaller than the contracted area as the Wall are contained within the booth
- c) No painting or wall papering of the shell stand panels will be Allowed in the Exhibition Halls. Exhibitors who wish to have Panels painted must inform the Official Service Provider who will provide a quotation for the requirement.
- d) No free standing figment may exceed a height of 2.5m or extend beyond the boundaries of the site allocated.
- e) Any change to the type or colour of the floor covering provided, Must be by prior negotiation with the Official Service Provider. Any cost incurred must be borne by the Exhibitor.
- f) An exhibitor occupying a corner booth has the choice to have either a wall or an additional open side onto the aisle.
- g) No financial credit will be given by the Organizers for any Package item not utilized.

## ISLANDS

An island exhibits space is surrounding by aisles on all sides. These exhibits have a height restriction of 2.5 mts, provided the ceiling construction permits such a height.

- a) Side walls of stands should be 2.5mts, in height and should have smooth surface on both sides. The outer side of the wall should be painted neutral off white color
- b) Back wall construction: In the case of a raw space, if a booth has a back wall which does not permit a view across the height of the back wall should not exceed 1.5 Mts. Incase the exhibitors structure is transparent and does not block the view, maximum height of 3.9 mts, Should be maintained. Any exhibit display within the exhibit area exceeding a height of 2.5mts, should have a maximum width of 1.25mts, only.
- c) No structure, publicity material, photographs, charts, and displayed products should have height exceeding 2.5 meters.
- d) Walls, if any, along the passage way should carryon charts, No displayed products should have height exceeding 2.5 meters.

### Section III

#### 1. Security

Exhibitors are requested to provide names of staffs to be deputed for management of stalls by **20.2.2026** for Exhibitor Badges. Badges may be obtained from reception counter on arrival and online also.

Badges must be worn at all times to gain admittance to the exhibition hall. Entry of hand carried items (except briefcase) exceeding 20 kgs. brought in through general entry gate will require an entry pass, to be obtained from **Hi-Tech International** office. Installation badges should be worn by the erection staff during all erection time. Erection staff found without the installation badge will not be allowed entry into the hall.

#### Exit

Exit pass for hand carried items brought in must be obtained and shown at the general exit gate, at the time of taking them out. During show days, exhibitors are allowed to enter one hour prior to the opening of the show each day and be allowed to remain one hour after the close of the show timings - 10.00 am to 6.00 pm.

Exhibitors are requested to inform the event organizers in case they require security personnel for their booths during set-up and dismantling. Only security personnel from the official security agency may be employed. Please note that no security staff other than those authorized by the organizers will be allowed in the exhibition halls between 1.3.2026 to 5.3.2026. The halls will be sealed during non show hours and hence nobody will be permitted to remain in the exhibition halls after the exhibition has closed for the day.

While the show organizers will maintain security surveillance at all times throughout the Exhibition, Exhibitors are reminded that goods will be participants risk immediately after the Show closes on the final day. Please be sure to see that your Stand is not left unattended at this time. Particular care should be taken of small portable items, tools and Instruments.

#### 2. In-hall Freight Handling

To provide adequate security, safety and protection against damages to the Exhibition Hall and in the interest of an efficient, co-ordinated move-in and move-out of goods, no exhibitor's trucks, cars, (trolleys, lift jacks, etc) will be allowed inside the Exhibition hall.

#### 3. Removal of Exhibits

The removal of machines & materials from the exhibition halls may take place starting from 10 a.m. on 10.3.2026. for all those exhibitors who have obtained an exit pass. For each removal of materials an gate pass for each single operations is required.

### Section III

## GENERAL INFORMATION

*At the end of the show on **9th March 2026** when Exhibitors may arrange for packing and clearance of their exhibits by Customs, the Official Freight will issue Goods Removable Passes and arrange to hand over to the organization responsible for the consignment. All goods must be removed from the site by 8.00 pm on **11th March 2026**. After that time, materials, stands and exhibits will be considered abandoned and will be disposed of.*

#### 4. Manning of stands

Your stand must be fully staffed and operational throughout the open hours of the Exhibition. Exhibitors must not participate in any activity, which causes or is likely to cause annoyance to visitors or other exhibitors. In particular, audio/visual display equipment must be positioned and sound levels so adjusted to avoid interference to neighbours. In the event of any disagreement, the Show Organizers' decision in this matter is final.

All activities of the exhibitor and his staff must be confined to the stand or site allocated. No advertising or canvassing for business may take place elsewhere in the Exhibition Hall. Exhibitors may not use the Exhibition to advertise for staff, other than to seek local agencies for the sale of their products.

#### 5. Dilapidation's

Exhibitors are responsible for the cost of making good or replacing any damages or dilapidation's to the exhibition premises, whether caused by themselves, their agents, contractors or by any person or reasons employed or engaged on their behalf by such agents or contractors.

#### 6. Force Majeure

The Exhibition may be postponed, shortened or extended due to any cause whatsoever outside the control of the Show Organizers. The Show Organizers shall not be responsible for any loss sustained by the Exhibitors, directly or indirectly, attributable to the elements of nature, force Majeure or orders and directives imposed by any governmental authority. In the event of such circumstances, money paid by the Exhibitors, or any part thereof, is refundable at the sole discretion of the Show Organizers.

#### 7. Authority on the Premises

The show Organizers shall be responsible for and be entitled to act as the owners of the premises throughout the tenancy period. The decision of the show Organizers in any problem or dispute will be the final.

**8. Observance of Rules and Regulations**

All exhibitors and their personnel must observe the Rules and Regulations stated in this Exhibitors Kit, and the Rules and Regulations accompanying the Exhibition Control, while working or present in the Exhibition Halls.

**9. Safety and Behaviour**

No person inside the Exhibition Hall is to behave or act in a manner that may cause any harm, injury or damage to other persons or exhibits, nor to exhibition hall property or fixtures.
